ST PETERSBURG STATE UNIVERSITY OF ECONOMICS

<http://www.unecon.ru>

SPbSUE – nowadays one of the major economic universities in Russia – was established as a result of Saint Petersburg State University of Economics and Finance (FINEC), Saint Petersburg State University of Engineering and Economics (ENGECON) and Saint Petersburg State University of Service and Economics (SUSE) merge. The whole amount of students more than 60 thousand people, of professors – up to 3200.

UNIVERSITY OF ANGERS

<http://www.univ-angers.fr>

The University of Angers harks back to a very long history of universities in the city. By 1080, the "Studium" or the School of Angers was already a renowned scholarly institution. It received the title "university" in 1356. Today the University of Angers has grown to three campuses in Angers (Belle-Beille, St Serge, and Santé), and branches in the nearby towns of Cholet and Saumur. Of its enrolment of roughly 20,000, 11% are international students. The University is committed to seeking continual improvement in teaching methods, new technologies and offering a variety of on-line services play a key role.

ORGANISATION OF STUDIES

Duration of the program: 2 years (120 ECTS).

The courses of the 1st semester are awarded by SPbSUE in Saint-Petersburg by Russian professors in Russian.

The courses of the 2nd semester are awarded by SPbSUE in Saint-Petersburg by Russian professors in English (in the international group with French students).

The courses of the 3rd and the 4th semesters are awarded by The University of Angers in France by French professors in English¹.

2-year program allows to obtain 2 diplomas:

Master Diploma of St Petersburg State University of Economics
Master Diploma of The University of Angers

Student can choose the duration of study in France (after 1 semester of study student can get the University Diploma and after 2 semesters of study student can get national France Diploma)
